TMDL-4000 | MOVABLE DOCK LEVELLER

The Tippermann TMDL-4000 is a portable hydraulic dock leveller engineered for seamless cargo transfer between trucks, containers and warehouse floors. It combines fast lifting performance, heavy-duty construction, safe operation and easy mobility without the need for permanent dock installation.

PRODUCT CHARACTERISTICS	SPECIFICATION
Load Capacity	Up to 4000 Kgs
Maximum Lifting Height	1800 mm
Platform Size	1600 x 2000 mm
Ramp Size	1600 x 550 mm
Lifting Speed	300 mm/s
Drive System	Hydraulic
Self Weight	700 Kgs
Paint Finish	PU Painted
Standard Colours	Black / Orange / Red

WHY CHOOSE TMDL?

- HIGH PERFORMANCE**
Heavy-duty hydraulic construction with 4 mm checkered HR steel deck.
- EASY POSITIONING**
Portable wheel-based design helps move the leveller wherever loading is needed.
- FAST LOADING**
300 mm/s lifting speed reduces waiting time and labour effort.
- SAFETY SYSTEMS**
Double safety check valves, hose-burst protection, emergency stop and emergency lowering.
- LOW MAINTENANCE**
PU painted finish and rugged build for rough industrial use.
